2. SUMMARY OF THE MEETING

2.1. Welcome and Presentation of CONTEXT network

The first part of the meeting consisted of introduction of CONTEXT Cost Action and the WGI. Then participants are introduced their selves and their working fields. This round table is followed by a discussion about previous meetings, on-going actions.

All activities are available through the project website (www.context-cost.eu).

2.2. WORKING SESSION IN GROUPS

The working session was conducted through interactive creativity session to build a project all together. The aim was knowing better the participants, what they may contribute, and share the information about project calls and finding fundings.

3. DISCUSSION AND CONCLUSIONS OF THE SESSION

Finally, the workshop is ended with the discussions about how to create projects together as the aim of COST action.

- Create a data base with the contribution information of the CONTEXT participants (working field, facilities, contact info).
- Write scientific or white paper together with the participants of complementary fields.
- Increase the interaction between the working groups.
- Follow the open calls and possible budgets
- Find textile solutions to replace existing cumbersome treatments in medicine and healthcare field.
- Invite more end-users from the country where the meeting take place.
